

DO THE

PENSIONS

PLAYBACK

You don't need to be a pensions expert to make the most of your hard-earned money.

See how you can take your first step, or the next step, and pay your pension some attention with The Pensions Playback today!

1. LOOK BACK TO YESTERDAY

Do you know where all your pension savings are? You may have more than one from across your working life!

There are billions of pounds out there in lost pension money...could some of that old money be part of your future?

Check out our pension tracing service to see if you've got any hidden pots from your past.

2. LEAN IN TO WHAT YOU'VE GOT TODAY

Do you know how much you have today?

Remind yourself by checking letters, emails, or logging in to your pension account online.

Here, you can make sure your contact details and your planned retirement age are up to date, which can give you peace of mind. And you can see how much your money could grow!

Log in to your pensions online account at fidelitypensions.co.uk/login

3. MOVE FORWARD TO YOUR FUTURE

What are your dreams for the future? Do you know what income you might need in retirement?

It may seem a long way off, but by taking some simple steps to start planning today, you can look forward to your future with confidence!

Take a tiny step towards preparing for retirement with our planning tool, found at fidelitypensions.co.uk/retirement-savings-guidelines
